

"In **ALL** your ways **SUBMIT** to Him, and **HE** will make your paths **STRAIGHT**." Proverbs 3:6

Are you **ALL-IN** with things in your life?

Duane's message on being **ALL-IN** isn't about the distractions of life, like sports and social media. It is about being **ALL-IN** with all of the truly important things in life: your marriage, your family, your faith.

- Duane went **ALL-IN** with his marriage when it hit a rocky patch, and now it is stronger than ever.
- Duane went **ALL-IN** with his family, and he and his wife are raising their kids in a home devoted to Christ.
- Duane took a faith-risk and answered God's call to go **ALL-IN** with ministry.

"Duane is the real deal! He shares his journey with honesty and credibility that really connects with where men are at. He will challenge your men (and your church) to step outside their comfort zone and go ALL-IN."

Tom Rees, PennDel Men's Ministries
